

BREAKING LIMITS

Heterojunction Global Tour

Huasun Energy@Intersolar Europe 2025

Intersolar Europe 2025

Booth:
Hall **A2.550**

Date

May 7-9, 2025

Venue

Messe München, Munich, Germany

Dear Sir/Madam,

We warmly invite you to explore Huasun's latest breakthroughs in high-performance HJT technology—renowned for exceptional energy yield, bifaciality, and thermal stability across diverse applications.

At **Booth A2.550**, we'll showcase our full HJT product lineup and debut two next-generation innovations, pushing the limits of solar efficiency and design flexibility.

With over 11 GW shipped globally, Huasun continues to lead the advancement of heterojunction. Don't miss this opportunity to discover the future of solar with us!

Warm regards,

Huasun Energy

M U N I C H

A hub for innovation and business, the city hosts Intersolar Europe — where global PV leaders gather to showcase groundbreaking technologies, spark new collaborations, and drive the growth of the solar industry.

Huasun High-Efficiency HJT Modules on Display

Designed for Vertical Installations
Kunlun Series

100%
Bifaciality approaching

Up to 100% ultra-high bifaciality

Maximizes energy yield mornings and evenings, boosting system revenue

Optimizes land use, enabling true coexistence of PV and agriculture

Minimal operating costs, resisting accumulation of dust, dirt and snow

Next-Gen HJT Modules Make Their Debut

Innovative cell
& module designs

Efficiently capturing
solar energy

Frontier technology
integration

Breaking
efficiency limits

Significant signing
ceremonies

Stay
tuned
...

The two groundbreaking innovations expect to push beyond the conventional efficiency limits and significantly expand the application potential of traditional solar modules.

Amazing Events at Huasun's Booth Don't Miss Out!

Booth: **#550, Hall A2**

May 7 | 15:00–15:50

• New Product Launch

Be the first to witness the debut of our next-gen HJT technology and two groundbreaking new products.

Let's break solar cell efficiency limits and explore new frontiers in PV applications—together.

May 7 | 16:00–19:00

• Booth Party

Live DJ • Great Food & Drinks • Chill Vibes

Come celebrate with us—Huasun style!

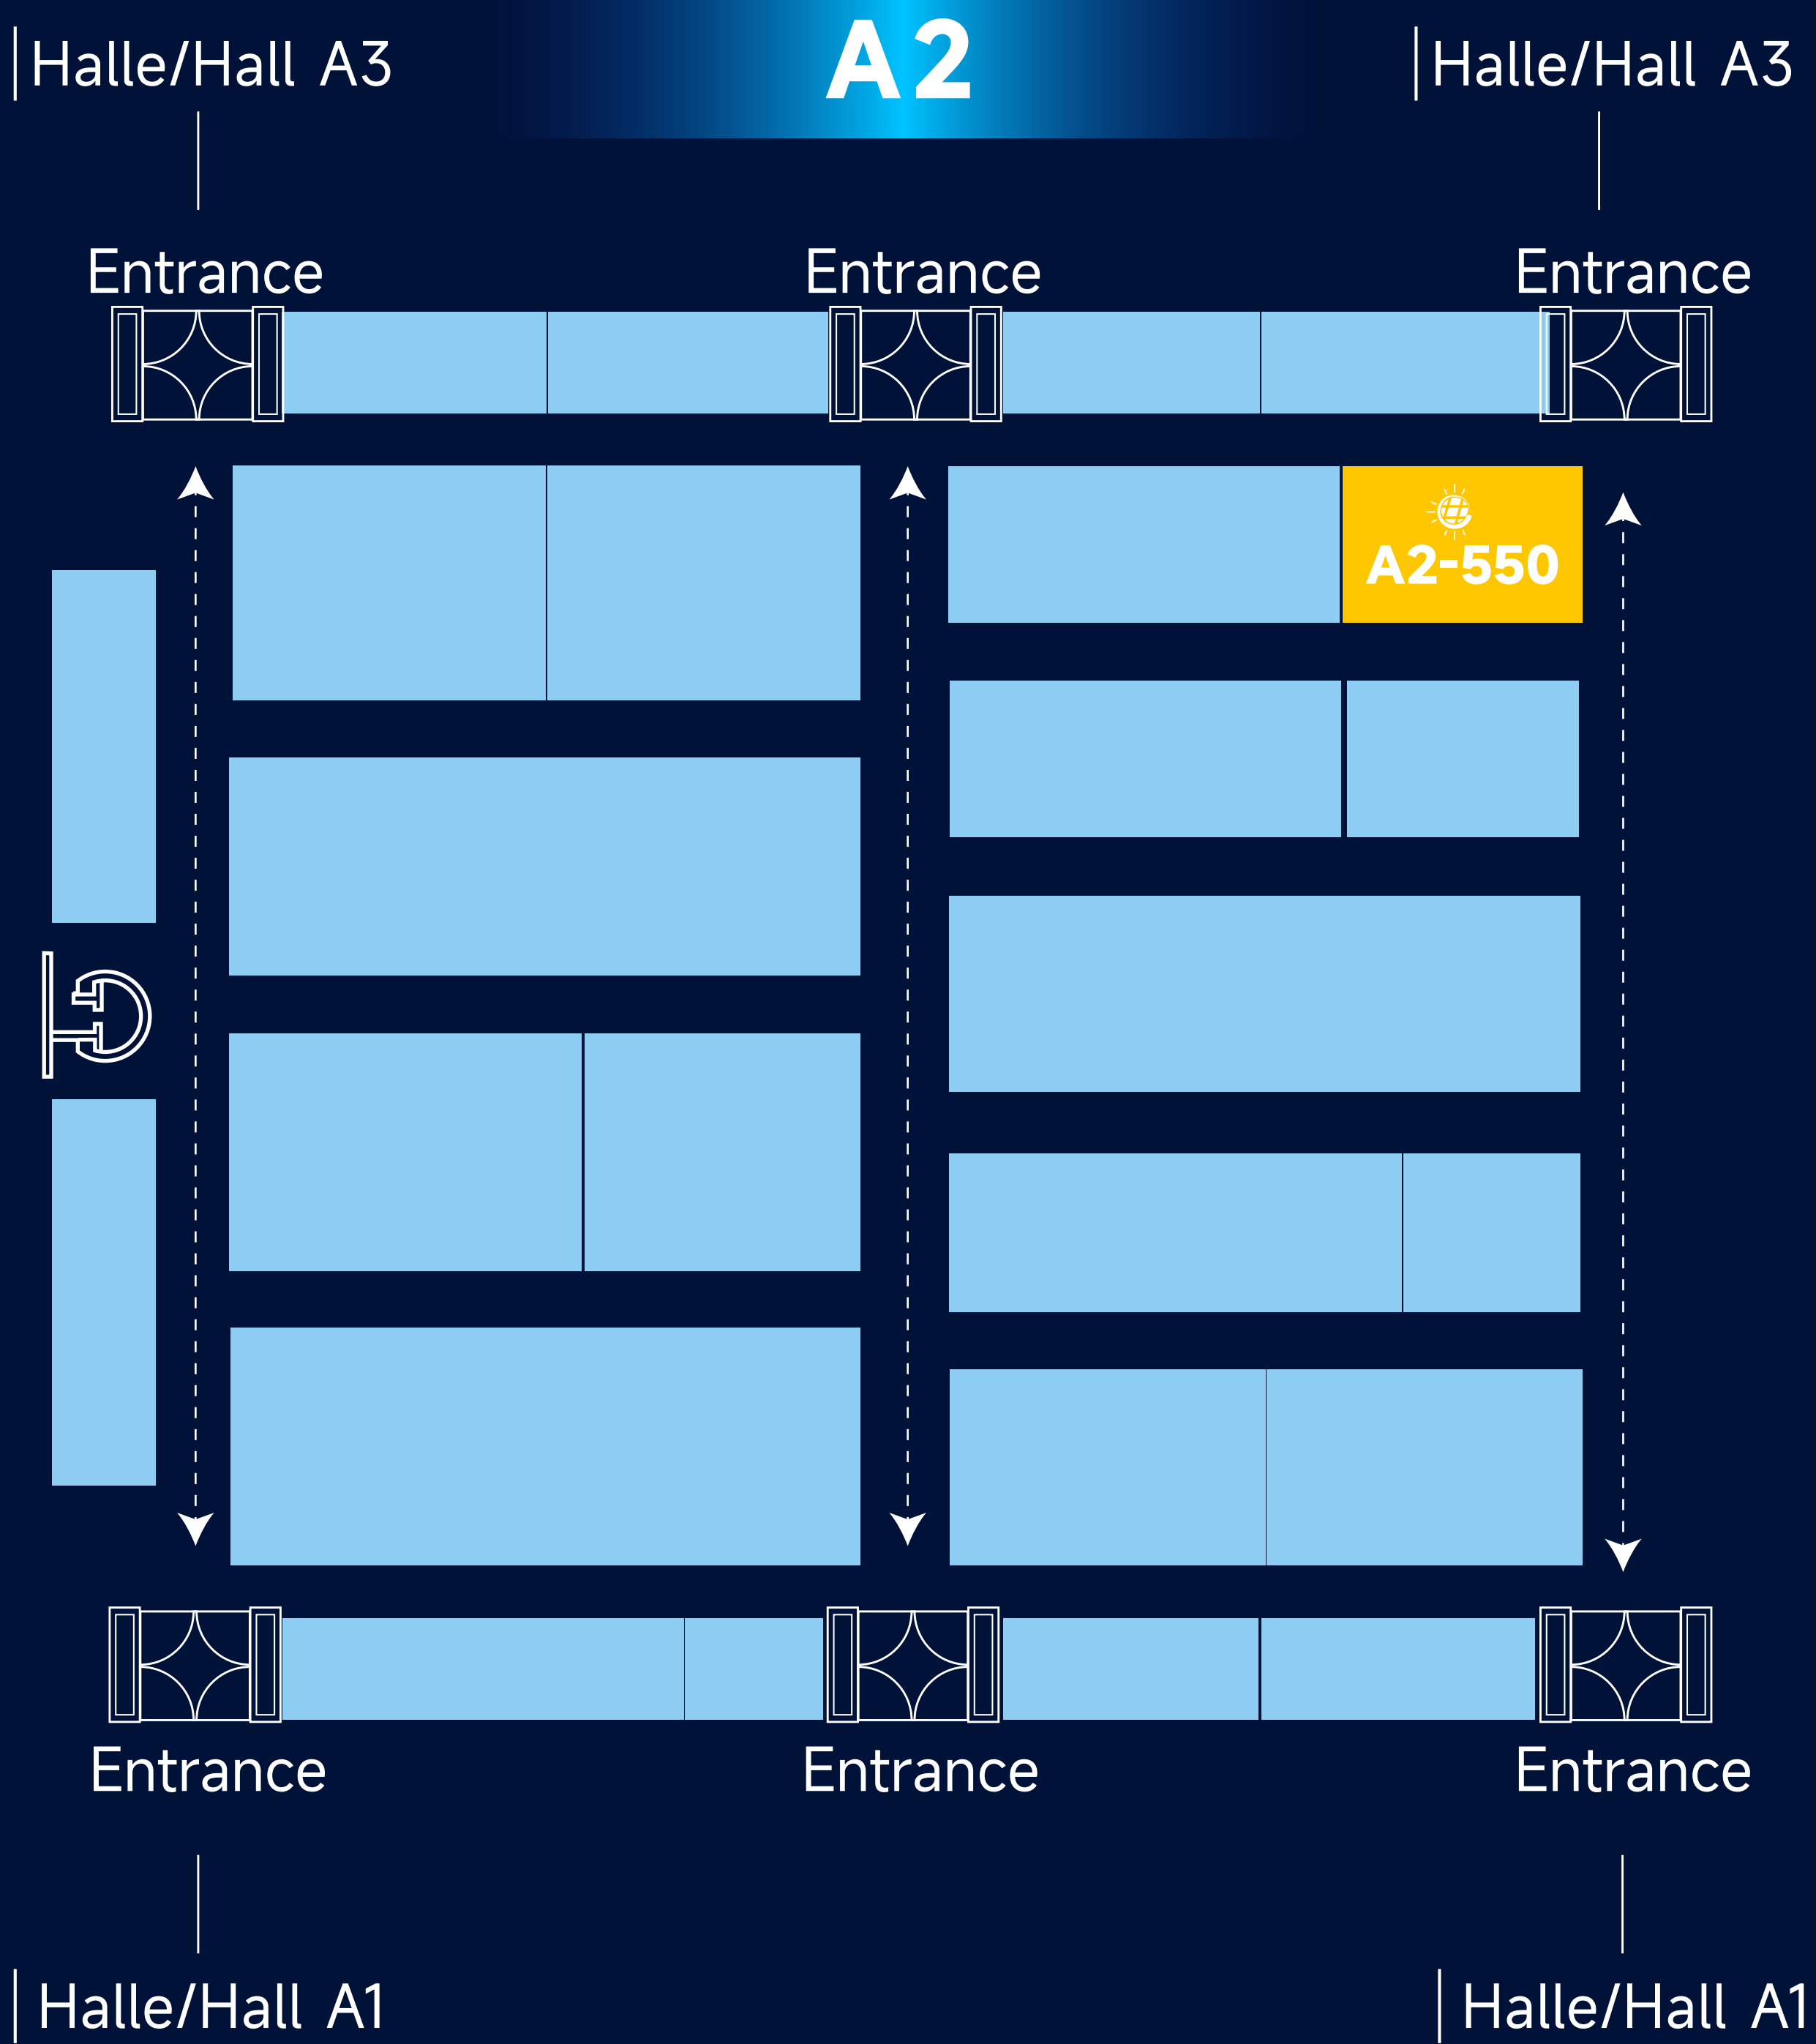

All Day, Every Day

Delicious refreshments, exciting giveaways, and a warm welcome await you.

Follow "Huasun HJT" on LinkedIn for a surprise gift!
